

**Camp Fire Survivors:**

# Need assistance with your long term recovery?

## **About Disaster Case Management**

Disaster Case Management (DCM) services continue to expand to support the long-term recovery of Camp Fire survivors. Multiple local agencies are providing this service through a coordinated team of case managers working through the Camp Fire Collaborative. A disaster case manager works with each case to create a realistic recovery plan and utilizes the types of assistance available based on each survivor's unique situation and needs.

## **Some areas we can assist with your disaster related needs:**

1. **Locating Housing**
2. **Relocation**
3. **Rebuilding**
4. **Identifying long term recovery goals.**
5. **Connecting with resources that will assist you with your long term recovery goals.**
6. **Addressing unmet needs remaining from the Camp Fire.**
